The boy and his boat dance in the downpour and play in the puddles, but when the boy sends his boat floating down a gutter stream, it quickly gets away from him.So of course the little boy goes on the hunt for his beloved boatÃ¢â ¬â •and when the rain lets up, he finds himself on a new adventure altogether.This seemingly simply story from Daniel Miyares is enriched with incredible depth and texture that transcend words.

Beautiful Book! I can’t recall a "pictures only" book that got my daughter so involved and focused on a story line that had no written substance. It really created a new context for her in expanding her knowledge and a book’s appreciation.

simply and beautifully presented

Love this book! Bought one each for our grandson, niece, and a nephew.

Cute book. My daughter likes it. The artwork is good. It has a page of instructions for a paper boat, which was also super cute.

With very few words tells a great story for young learners.

Loved it. Very beautiful and creative.

So many mini lessons can come from this beautiful book. New favorite

Darling book and I know the students are going to love it.
