Great Book great Price, Delivered on time.

Just needed it for class and it’s helping

Interesting book! Had to buy it for one of my school classes and enjoyed it a lot more than I thought I would. Would recommend to anyone interested in learning more about dancing.

Great book for the price. I rented the book since the price at my bookstore was really expensive.

Purchased this for a college course I took last semester. Great book! Lots of information...just wayyyy too pricey. There are plenty of non-textbook versions of this information that are much cheaper!

Probably not the most in depth and is being told from one end of the spectrum.

good
