Oh I can gush about this creative book all day long but because I will eventually bore you, let's just get right to it. Buy this! All new ideas and page after page was just a refreshing breathe of air! I am a huge Halloween fan that my closest friend and I get together around early September to chat about our holiday crafts and this book took up most of the morning and five cups of coffee and three pumpkin muffins later we came up with a never ending list of crafts and projects to do. This years best book/ magazine of all that is halloween.

Matthew Mead gets it! He knows what us Halloweenists like. If you are like me, you love spooky, dark, vintage, and frighteningly fun. You like to create, but don’t want to break the bank. This is your book. Buy it!

It has some of the best little tricks.

Matthew Mead does it again. Beautiful pictures great instruction and the most yummy projects. I am never dissapointed when I order a new book from Matthew.

So many wonderful ideas for those of us who don’t do "spooky". Matthew Mead turns out beautiful rooms and displays that don’t break the bank and use everyday items.

Packed with full color photographs and tons of useful ideas, this book will have you dreaming up a storm of cute ideas for this very special holiday. Highly recommended.

Fast delivery. Love it

Many wonderful inexpensive ideas that are still classy and chic. The illustrations are very easy to follow even if you choose to ignore the instructions.
