Flicka, Ricka, and Dicka receive new ice skates for Christmas.

Maj Lindman (Mrs. Maj Lindman-Hulten) lived in Stockholm, Sweden. She attended the Royal Academy of Arts in Stockholm, and also studied art in Paris, France. She wrote and illustrated numerous children's books, but she is best known for her delightful tales of triplet girls Flicka, Dicka and Ricka and their boy counterparts, Snipp, Snapp and Snurr. The Review below was my first review, but I called , and they sent me a new book right away. The new book is perfect. I recommend this book to 4-8 year olds. The story is simple and charming. BUT make sure to buy the hard cover, not the soft cover, because the words and pictures look a LOT better in the hard cover. In fact, both the words and pictures are quite ugly in the soft cover. We own several Flicka Ricka Dicka books and Snipp Snapp Snurr books. Unfortunately, the Snipp Snapp Snurr are not available in hard cover, so we do enjoy Flicka Ricka Dicka better, and I believe it is because the soft covers just don't look very nice.This is a beautiful book, EXCEPT that the pages were sewed in the wrong order. The story is all mixed up! This is my favorite of all the Flicka Ricka Dicka books. The story is very interesting to children and the illustrations are so lovely. It was a Christmas present to my daughter, and man, what a disappointment when I went to read it to two of my children. I have got to find a better copy.

I bought the series at Christmas for my 4 granddaughters--two of them can read--the others are read to. ALL love it. We have twins int the family so it was doubly interesting--no triplets (thank God). Alll the girls were loving the stories that are about caring young girls making good choices. That's something you don't find easily these days. I didn't get the paper dolls as advertised , but their happiness over these books that all of them will share is good enought

A favorite story about independent and clever triplet girls from Sweden. The girls and their dog have a winter adventure that turns out to be dangerous due to some misbehavior. This book deals with friendship, safety, forgiveness, and outdoor adventure.This particular book from the series has been unavailable for decades. This is a beautiful hardback book with three dimensional sparkles and even bonus paper dolls. Great read-aloud book for upper pre-school and behind or independent reading for second grade.

Great book for dialogic reading. Many tier 2 and 3 vocabulary.

ordered it for my sister to give someone-----she was very pleased withit

Perfect modern print of the same wonderful story from my childhood! Nostalgia rules!

Flicka, Ricka, and Dicka are some of my favorite book characters. I love the addition of the paper dolls! Paper dolls of any kind are so hard to find nowadays.

Very cute, traditional story from long ago.
