Synopsis

A great new gardening book for Ontario! This handy guide is packed with the best plant varieties you’ll want for your garden: annuals, perennials, trees, shrubs, vines, climbers, roses, bulbs and herbs. Small enough to take to the garden centre or nursery yet filled with beautiful photos, it contains all the gardening information you need to decide which varieties to select and how to care for them. Each account provides information on habitat, height and spread, soil, light and water,tips on how to best use the plant in your garden, and recommended species for Ontario growing conditions.

LIZ KLOSE is superintendent of the Niagara Parks School of Horticulture, where she has taught since 1991. Liz also is curator of the Rose Garden, the Herb Garden and the Vegetable Garden at the Niagara Parks Botanical Gardens. A graduate of the University of Guelph with a Bachelor of Science (Honours Agriculture), Liz Klose has worked in horticulture, agriculture, public relations and the wine industry. Liz is a frequent speaker to garden clubs, plant societies, conferences and schools. She is often called in as an expert guest on television gardening programs. ALISON BECK is a professional garden writer who has been gardening since she was a child. Author of almost two dozen books on gardening, her writing showcases her talent for practical advice and her passion for gardening. Alison has a diploma in Horticultural Technology as well as a degree in Creative Writing from York University.
