Synopsis

Living Trusts for Everyone is the best resource for setting up a living trust. Explaining in specific terms what benefits a trust will have, Ronald Farrington Sharp gives the tools necessary to set up a loved oneÃ¢â ¬â„¢s trust with no lawyers and no expense. Wills benefit lawyers. Trusts benefit the clients. Too often lawyers sell wills to clients only to sit back and wait to sell their probate services to their clientsÃ¢â ¬â„¢ heirs. Ronald Farrington Sharp describes the best way to handle modern estate planning and details the many advantages trusts have over wills in not only eliminating probate but in also protecting your assets for your heirs. Sharp explains why legal services are not needed to do the clerical work in settling a trust after death. This updated edition includes new information on an array of subjects, including: Elimination of the federal estate tax for most estates due to increased exemption amounts Online assets The use of passwords, usernames, and websites Keeping trustees honest and the process of removing trustees for malfeasance Forms for simplifying the planning process Strategies to lower attorneysÃ¢â ¬â„¢ fees>/li> With no legal jargon, just step-by-step instructions and sample form letters, Living Trusts for Everyone takes the mystery out of the process of setting up a trust.

Customer Reviews

Ã¢â ¬Å“If you want to know a good deal about estate planning and trusts but donÃ¢â ¬â„¢t want a four-hundred-page boring book to read, I highly, highly recommend getting this one. ItÃ¢â ¬â„¢s short, to-the-point, and very informative.Ã¢â ¬Â• Ã¢â ¬â ¢Free Money, Finance.comÃ¢â ¬Å“Ronald Sharp explains trusts in clear and easy-to-understand language,

including one truth most lawyers donÃ¢â ¬â„¢t want to admit: a trust is often better than a will and less costly!Ã¢â ¬Â• Ã¢â ¬â ¢Lonnie Mclane, Estate & Tax Consultants, LLCÃ¢â ¬Å“Sharp makes a reasoned and strong case for the use of trusts as a complete alternative for wills. For roughly the cost of a lunch, Living Trusts for Everyone can . . . equip the average American with enough thoughtful questions to ensure that his or her lawyer is doing all that s/he can to protect that personÃ¢â ¬â„¢s assets. For that alone, it belongs on your reading list.Ã¢â ¬Â• Ã¢â ¬â ¢Logan Lo, New York Journal of Books

Ronald Farrington Sharp is an attorney who concentrated on family law and divorce for the first half of his career before gradually shifting the focus of his practice to the areas of trusts, estate planning, and probate. The firm he established in 1975 works closely on a referral basis with a variety of professionals in developing a comprehensive estate plan package. Sharp has personally prepared more than three thousand trusts and estate plans, and he is also the author of Winning the Divorce War (Allworth Press). He is married, has three adult children and one grandchild, and divides his time between Michigan and Florida.

Bought for a friend who said it was helpful.

Well written, good information and easy to understand

A very valuable and insightful introduction to trusts for the layperson.

Very informative book with a lot of information. After reading this book, I had a greater understanding of what a living trust was and why I needed one. If you are wondering whether you need a will or a trust, this book will give you the knowledge to make your decisions.Sharp is quick to point out the areas you need an attorney, but also the opportunities to save money and time with a little effort on your part. I was unclear on what benefits I could gain by using a living trust, until I read this book. The author discusses many different situations in this book and how a trust will help or hinder your moving forward.If you have an elderly parent who wants to leave more money to you than to Uncle Sam, you need to read this book. If you want to make it easier for your children after you have passed, this book will help guide you through the minefield. By following the suggestions listed in the book, you can save attorney fees by arriving prepared for your meeting.I will be using a living trust to protect and shelter my estate, as a result of this book.

I have many books on living trust and Will. This book is a best one to read, it is very easy to read and to get a summary in a timely fashion.
