Jen Wilkin is a writer, teacher, and blogger at JenWilkin.net. She is the managing editor of The Village Church blog and leads the Flower Mound WomenÃ¢â ¬â„¢s Bible Study, an interdenominational Bible study with about 700 members representing 68 different churches. She

earned a B.A. in English and a Master of Business Administration from Texas A&M. Jen wrote Women of the Word: How to Study the Bible with Both Our Hearts and Our Minds and has a 9-week DVD Bible study on The Sermon on the Mount.Jen grew up in Texas and came to saving faith in elementary school. Her childhood was marked by time spent in seven different denominations Ã¢â ¬â œ a range of experience that left her with the conviction that knowing the Word was the only sure means of discerning truth from error.JenÃ¢â ¬â„¢s passion is to see women become articulate and committed followers of Christ, with a clear understanding of why they believe what they believe and grounded in the Word of God. She sees women as most frequently appealed to through their emotions. Because of that, she advocates for women to have Bible literacy, love God with their minds, and have their voices and giftings fully leveraged in the church.

This study book was a wonderful surprise. I love that the text (I Peter) is at the back of the book, Jen uses multiple study aids as we study the book together & I found it to be very Biblically sound.

It's time to learn and apply the Word in a theologically sound and whimsically delightful way. This is one of the authors who will lead you through the text in the way God intended it to be read and applied.

Excellent, in depth, Christ centered study. Truly made a difference in my choices, attitudes, and behaviors, as well as my prayer life throughout the course of this study. Reading 1 Peter consistently proved to be what Romans 12 refers to as a renewal of the mind. Jen Wilkin, may God bless and keep you always. Thank you

This Bible Study by Jen Wilkin is great for digging deeper into that book of the Bible. You are encouraged to first see what truths God reveals about Himself and then to mine the treasures of truth in each section going verse by verse. I have done a few of Jen's studies and always come away falling more and more with Jesus each time. I also think this study is great on its own but is even better when you can view it with the accompanying teaching whether alone or in a group setting. I highly recommend this study and plan to go through it again!

This is a study that is a deeper look into the 1 Peter letter. Jen Wilkins does an excellent teaching if you also have the pleasure of viewing the DVDs. Very informative study.

This is an awesome book. Please study from it if you are really interested in learning the Word of God.

This study is designed to make the reader dig and dig deep. I have noticed I've grown in my spiritually since working through the day by day study. If you want to find yourself understanding God's character then seriously consider this study of 1st Peter!

Excellent study guide. The author has a way of fleshing out and making poignant applications of each verse!
