Synopsis

Finally Revealed.. The Amazing insider Secrets of Three day unforgettable vacation to Colorado Springs .Today only, get this bestseller for just $9.99. Regularly priced at $14.99. Read on your PC, Mac, smart phone, tablet or Kindle device.Here Is A Preview Of What You'll Learn...The city of Colorado Springs is typically not on the list of 1001 places you must visit before you die. However, if you are an outdoor adventure enthusiast it should be Colorado Springs has some of the most majestic scenery anywhere. It is filled with hiking and mountain biking and kayaking opportunities, as well as parasailing and hang gliding there is something available in Colorado Springs. That will satisfy even the most hard-core adrenaline junkie.Colorado Springs, has a rich history in the "American West." The land was originally home to the Ute, Cheyenne and Arapahoe tribes and was later explored by the Spanish and French (the French fur traders stayed longer than the Spanish conquistadors) the big turning point for Colorado Springs came in 1890 when one of the largest pockets of gold in American history was discovered this caused the population of Colorado Springs to expand to over 50,000 people at an extremely rapid rate. And by the turn of the 19th century, Colorado Springs was known as "the city of millionaires." To this day, Colorado Springs continues to attract students, couples and families that are looking for some outdoor adventure, as well as a slightly more laid-back and unique lifestyle than other parts of the country.If you are traveling with small children or are just looking for something a little less strenuous to stop your trip, then you might consider visiting the Cheyenne Mountain zoo visit was founded in 1926 with the purpose of education and wildlife conservation. Be sure not to miss the Rocky Mount wildlife exhibit as it will familiarize you with all the various wildlife species that inhabit the region. After you have worked up an appetite walking around and visiting with the animals, you might want to mosey to bird-dog Bar-B-Q the best barbecue joint in Colorado Springs.Assuming that you have energy to burn (and no children) after gorging yourself on world-class steak and religious, you may be in the mood for a drink or a little music downtown Colorado Springs has you covered with 34 clubs and bars you are sure to find somewhere that will capture your attention for the entire night (probably several nights) but be sure not to party too hard. As manipulating a mountain bike or kayak can be rather difficult with a hangover. If a bar or club doesn't strike your fancy. You can always stroll around downtown Colorado Springs and marvel at the quaint old West buildings and stone architecture.Download Your Copy TodayTo order Your Book, click the BUY button and download your copy right now!Take action today and download this book for a limited time discount of only $9.99! Customer Reviews

Review title: Miss Passport and Colorado Springs and American Heritage getaway.Most people don't think of Colorado Springs as a tourist attraction is not typically listed as one of the 1000 places to see before you kick the bucket (unless of course you're a history professor or hard-core range riding cowboy). Colorado Springs, however, should definitely be on everyone's must-see list. It is one of the original old West town's and is filled with the site sounds and smells of American Western heritage from classically the 18th century building to quaint little B&Bs. There are also plenty of

outdoor activities such as hiking fishing and kayaking. It’s an outdoor person’s paradise. But if however it’s your first visit, I would recommend purchasing a copy of the Miss Passport guide this little 11 page guide is one of the best investments that can be made before you visit this little guide book is set up as a three-day itinerary and I found most useful while traveling because it lists everything from the best places to stay in the best places to eat. The restaurants are listed as suggestions for each day, and coincide with the area you will be visiting each day has a primary attraction, as well as several secondary attractions. For instance, the Cheyenne Mountain zoo and wildlife preserve might be listed for day two as the main attraction for the day with a suggestion of several nightclubs, bars and restaurants that could be visited in the evening, which could be suited to fit any mode from somewhere to enjoy a good meal and relax away the sore muscles of the day were somewhere to mingle and be seen by the population.The nice thing about these guidebooks is that even though they list the activities as a schedule to make sure that you get the most out of your three-day vacation. You can have a horse track, anything you wish, to the itinerary without losing any value from the guidebook as it is still chock full of useful information. Like all of the most important contact numbers for the local theater the zoo or the Rangers office to acquire a backcountry hiking permit. This book is a must-have for your next trip. It takes up very little space in your luggage and can even fit in your back pocket, but is like having a travel guide or hotel concierge at your beck and call ready to answer any questions you may have. The Miss Passport guides Should never be underestimated.

In "Colorado Springs Travel Guide) Miss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary to Colorado Springs", Ms Sharon Bell takes her readers to Colorado Springs in the United States of America. In this publication, Ms Bell advises readers how to travel to Colorado Springs, how to spend three great days in the old city and how to budget for the costs of the visit. Ms Bell’s book has no pictures but that does not detract from the interest it will generate in Colorado Springs. By means of this book, readers will learn about Colorado Springs’ history, scenery and wildlife. In this publication, Ms Bell generously advises readers about activities they may undertake while in Colorado Springs.

On several trips to Denver, we have passed Colorado Springs. Finding out more about this historical town was very interesting. I think the next time we make a trip that way Colorado Springs will be on the list of stops. I found this book interesting because it was written like a trip itinerary. Approximated prices were included as well which can be helpful for trip budget planning. Some

grammatical issues in this book but nothing truly detracted from the content. Overall it seems like a great little guide to the best spots in the area!

Other than the author not knowing the difference between then & than; and bouncing across the city for a meal then back for an activity, I believe it would be useful for someone new to the city. Correct these, then it's worth four stars.

In three days, this book explains how to get the best out of a short trip to Colorado Springs. It's a very quick read, and helps to plan out a vacation even better. Check it out if you want to go to a trip there, but aren't sure on what to do.

This guide misses some of the coolest parts of Colorado Springs! Add that to the horrible editing and it is a total miss.

Colorado isnÃƒÂ¢Ã â ¬Ã â„¢t the city that youÃƒÂ¢Ã â ¬Ã â„¢ll find most people visiting for a trip. But it definitely is a place where you can look for adventure. This book provides you with all the information about the city; its history and the most famous places you should go to when you are staying here. Also, it is a great place for hiking and mountain biking and kayaking. This is a great guide book that will tell you how you can tour the whole place in just three days. How cool is that? Easy to understand and interesting to read, this is the book for you if you are into travelling or if you just need to know about Colorado springs.

Are you an adventure freak and looking for a new place to satisfy your desire? The place might not be too far away. Get your hands on the Colorado Springs Travel Guide) Miss Passport City Guides Presents Mini 3 Day Unforgettable Vacation Itinerary to Colorado Springs (Miss Passport Travel Guide). This book gives you detailed description about the city of Colorado Springs that is an ideal place for people who love hiking and climbing. This book might give you the inspiration you need including information about the interesting history of the place.
