Synopsis

Packed with 2013 and 2014 cases, FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES, 10e presents the core business law topics you need to know in a concise paperback. Got it for my Business Law class in the summer, very informative very easy to understand, I got an A+ in my class. Much better renting it out than buying it from my college bookstore which was over $250!! Thanks!

It’s a college book, nuff said

Rented for a college class of course but this book was really great! I wish I still had it to reference some business law topics that come up in conversation. I was expecting it to be extremely complicated language but it was very simple and easy to understand.

Book is what I needed and delivered on schedule. The binding on it is a little worn out. Otherwise, exactly what I needed.

It’s pretty beat up but it’s working well enough.

This book is the best book i have ever bought its really helpfull in business
