Customer Reviews

I enjoyed reading this book. It is full of helpful hints is what successful leaders do, behave and strive to be. I recommend it for others to read and learn!

Excellent study reference

Nicely done. Learned some new, confirmed lasting principles as well. Thanks!

This book is without question the best book I have ever read on Leadership. It’s a good idea to read

it through for an overview but then go back and study it slowly chapter by chapter. You will glean much from it’s pages...nuggets of gold.

I just started reading your book.. it is like deep diving into such valuable knowledge on leadership principles and so interesting concepts to learn about how becoming into a better person. I would like to share many of your thoughts with anyone around me and my social network.. by the way, it is also good for you to know that your book is one of those books that once you start reading you can’t help to stop until finishing it!

I read the book and found it easy to understand and a great source/road map for leaders in the midst of uncertainty and change. In it, Mrs. Hyacinth covers the fundamentals of leadership and personal growth as leaders.A must read for either senior leaders, those starting, even aspiring.Highly recommended.

The Ultimate Leader: Learning, Leading and Leaving a Legacy of HopeThis book is full of gems & insights about leadership such as qualities of a good leader, authenticity, humility, how to lead in challenging times & pitfalls of toxic leadership. Also include the four seasons of leadership including section on nutrition & health and effects of negative emotions. Being a leader can be stressful! Charming story about Chinese bamboo. A leader can instil hope & help people to believe that they can achieve any goals set. "Hope is contagious." First time I’ve heard about the Hope Theory. A great resource to refer to when you need it!
