This book is delightful for 'kids' of all ages. As a volunteer, I am currently teaching an adult beginners ESL class. This book, Bad Kitty, was a hit. The drawings aided with understanding of the vocabulary and the humor made our day fun. When teaching in an elementary setting a few years ago I used this book with kinders up through fifth graders. I also gave the book as a gift to my

grandkids and as a baby shower gift. If you have even the tiniest spark of humor in you, you will not be disappointed with this book. Be prepared for some belly laughs.

My nieces love this.

Wonderful book set. My granddaughter loves it. Looks like I will be buying the series.
