Ã¢â ¬Å“A soothing and amusing Gwyneth Paltrow uses her best bedtime-story voice to bring this toddler-friendly compilation to life.Ã¢â ¬Â• Ã¢â ¬â ¢People magazineÃ¢â ¬Å“Perfect for popping in the CD changer and handing your tot the book version for car rides, Gwynnie brings these animal tales to life the way a true mom (or dad) always does - by doing all the ’voices.’Ã¢â ¬Â• Ã¢â ¬â ¢Babble.comÃ¢â ¬Å“She [Gwyneth Paltrow] has a pleasant voice and her acting abilities come in handy, making the whole story cute and making me giggle a little when she does different voices.Ã¢â ¬Â• Ã¢â ¬â ¢Ashley’s ClosetÃ¢â ¬Å“Paltrow’s dramatic reading mirrors calypso, jazz and classical backgrounds, and accents onomatopoeic verbs that define each animal.Ã¢â ¬Â• Ã¢â ¬â ¢The News & Observer, Raleigh, NC

Bill Martin Jr was an elementary-school principal, a teacher, writer, and poet. His many bestselling classics are a testament to his ability to speak directly to children and have left a legacy to generations to come. Eric Carle's innovative books have earned him a place in the canon of classic children's literature. Brown Bear, Brown Bear, What Do You See? was the first book he illustrated; he then went on to write and illustrate The Very Hungry Caterpillar and The Grouchy Ladybug, as well as many other books for children.

Research has shown that reading to infants, regardless of how small, can help with brain development. On a typical day, the only time I have to read to my 5 month old son is right before bedtime. Therefore, to get more reading in, I purchased these CDs and we listen to them anytime we're in the car - to/from daycare, riding around town, on the way to visit Grandma & Grandpa! He enjoys it and I feel like he's learning more than when we just listen to the radio! I look forward to purchasing more children's books on CD.

I was disappointed it wasn't the traditional song version that I was expecting, she's just reading the book.

My kids love this.

Grandson loved it

This is a great memory tool. My daughter and I read the Brown Bear book so much that she's memorized all of it. We can always play this in the car and she can repeat the narration and imagine the illustrations. If you have every book at home that's a plus, but not necessary. I've not tried it yet, but maybe, instead of a lullaby CD, it can be used as a way to put your child to sleep.

Great brown bear set for listening center!

My 2 year old loves listening to this CD! She is a big Eric Carle/ Bill Martin Jr fan, carrying the books around with her constantly! This CD is a pleasure to listen to, and it is great for when I am occupied and cannot read to her.

I play this daily for my grandson and it’s the one thing that’ll quiet him down. G. Paltrow does a great job as narrator.
