Age Range: 3 - 5 years
Grade Level: Preschool - Kindergarten

Customer Reviews

When looking into purchasing this book I was surprised not to find one review nor a list of the stories that were in the book. The stories are The Tooth Fairy, George’s New Balloon, Peppa Plays Soccer, Peppa’s New Neighbors, Dentist Trip, Let’s Go Shopping Peppa, Sports Day, and Bedtime for Peppa. The book is bigger than I expected, that is a huge plus.

My kindergartener loves Peppa Pig, so when I surprised her with this book, she could not stop reading it. She was so into it, that she finished reading the entire thing in two days. So much for five minutes!

This book was a present for my grandson who absolutely loves Peppa Pig, et al. He and his mom reads a couple of stories at bedtime each night. He’s learning to read and it’s a very good

beginning.

Eight stories in one book. Delights my 4-yr-old granddaughter! I let her choose which 4 stories we read before bed. Nice hardbound book.

Very short stories to be read. I've read the Tooth Fairy and Building a House sections almost every night as my daughter falls asleep.

My daughter is a HUGE fan of Peppa pig. We're getting Peppa Pig everything. It's a great book,she can sit still and read for 30 minutes!!

My son told me the children love Peppa Pig stories. Dad likes the five minute style stories because they are interesting yet he can finish the stories well within the 4-6 age groups' sleepy attention span. Boys and girls like Peppa Pig, George and family.

Great alternative to purchasing the paperback books individually; saved money because 5 individual books would have been more money. PLUS the hardcover helps keep the stories in good condition. Our 2 year old son loves Peppa Pig.
