Customer Reviews

Okay, to specifically respond to some of the points made by the one star review. Many of the recipes here are very specific about what type of rice to use and call for it to chilled. Not all of them, nor are they presented in a consistent way (which tells me this is a compellation or recipes gathered by the author.) Some are very specific about pretreating the rice and type of oil (in my experience if you want that nice nutty taste you need two things: a GOOD soy sauce and Sesame oil.) Now what

you don’t get is an overview of frying rice (stir frying), no tweaks (i.e. if you like you Fried Rice sticky: fry it right out of the steamer, if you like it drier: chill it. Differences in Long Grain, short grain on the outcome.) It’s not that hard to stir fry anything, but the decisions you make along the way make a difference (i.e. put the spices into the hot oil BEFORE you add meat, rice or other in ingredients if you want the spice to infuse into them, or add them near the end if you want them layered into the dish.) I don’t care about pictures, and the price is certainly right -- free for Kindle.

The recipes are very easy to make and incredibly elegant. The directions of each recipe help you a lot to get a good idea of ÃƒÂ¢Ã â ¬Ã â ÃƒÂ¢Ã â ¬Ã â how your finished recipes will look

Muchas gracias

It was a free eBook and we always give free eBooks five stars. as we think it encourages the publishers to continue to provide freebies...and we like to encourage that kind of behavior. If we don’t find it useful, then we just never open it again.

I don’t know why I had never made fried rice before I got this cookbook. Love it at restaurants! When I saw the book I had to try the recipes. My family loves every recipe I have tried. A great addtion to my recipe collection.

If you like fried rice different ways, this is the book for you. There are many options for making fried rice meals, most consist of items in your pantry.

GREAT KINDLE READ!!!

Books like this always come in handy as fried rice can be a change in a normal "staple" a change of pace and texture.
