Synopsis

The Geneva Conventions consist of four treaties formulated in Geneva, Switzerland, that set the standards for international law for humanitarian concerns.They chiefly concern the treatment of non-combatants and prisoners of war. They do not affect the use of weapons in war, which are covered by the Hague Conventions of 1899 and 1907 and the Geneva Protocol on the use of gas and biological weapons of 1925.

Customer Reviews

Indispensable in these times of controversies about drone strikes and Israeli occupations of Palestinian territories. In a convenient Kindle format.

The Geneva Convention consists of four treaties formulated in Geneva, Switzerland, that set the standards for international law for humanitarian concerns.
