Customer Reviews

It’s awesome because it’s Supernatural, it’s crap because it’s all old pictures, nothing in the last few years. I should have waited and actually ordered it from calendars.com again, at least the one I had last year was current pictures. I wish they would have shown a picture of the back to show what photos are used then I would have known to wait. However I waited to long and passed my return period.

On the one hand I liked the fact that they had a mix of older photos and newer photos, but I would’ve preferred newer since I have bought a number of them in the past. However, it was a good deal considering the price of the other Supernatural calendars they have for sale, plus free shipping! I also liked the calender had the larger photo on the calender and then a little snapshot photo in the corner. Very nice photography and well made. Its a calendar, served its purpose and would

definitely buy again.

It’s Supernatural so that part is good, very good actually, BUT I do wish this one had more recent photos and also less promo shoots and more pictures from the episodes as well.

My daughter loved this calendar. Got it for her for a Christmas gift. She is such a huge fan of Supernatural. Great photos and wonderful color.

As much as Jensen Ackles is the most beautiful man alive (and Jared Padalecki is second) there is no real Supernatural cast! Where’s Bobby, Cas, Nick, Jo, Bella, Ellen, Lilith, Rufus, Meg, Anna, Uriel, Chuck, Adam (he is in one side pic)???? Yeah I love looking at Dean Winchester in my bathroom but it being ONLY him makes it seem a little too intentional/odd.... Also I miss the rest of them.

Love the show Supernatural. Think the writers and actors make this an enjoyable if not scary experience and entertaining. The calendar photos are great and Jared and Jensen are good actors and eye candy to boot. What could be wrong about that combination? Thanks

Great pictures, could have had some better ones but it’s Sam and Dean so it’s all quality stuff regardless. I could have gone for some more shirtless photos. Regardless, this will be a dreamy 12 months, I ope one is made for 2015!

Very old photos for 2014 calendar. The selection of photos could have been better too. Seems a bit thrown together with whatever was lying around. That said it has pictures of Jensen Ackles....worth the stars for that
