## Synopsis

Despite his other achievements, Owen is best famed for his writings. These cover the range of doctrinal, ecclesiastical and practical subjects. They are characterized by profundity, thoroughness and, consequently, authority. Andrew Thomson said that Owen makes you feel when he has reached the end of his subject, that he has also exhausted it. Although many of his works were called forth by the particular needs of his own day they all have a uniform quality of timelessness. Owen's works were republished in full in the nineteenth century. Owen is surely the Prince of the Puritans. 'To master his works', says Spurgeon, 'is to be a profound theologian.'

## Customer Reviews

An outstanding abridged book from Owen that will blow your mind and show you the glory of Christ in ways you never thought of before. Owen will show you Christ and you will walk about more amazed at Christ than Owen.

What a book! I love the Puritans especially John Owen. I want all of his books ...What insight into the WORD of GOD what's wonderful is they always use the WORD in their writings...not there own words but mostly Gods n then expound on it...

Can't say enough about America's greatest theologian. Great read and very insightful. If your desire is to have a true, correct and deep understanding of God's word and purpose, then you should put

the Works of John Owen at the top of your reading list.

I really enjoy this book.I thought that I knew something of the glory of Christ, but upon reading this, it showed me Mr. John Owen's remarkable gift of God in pulling Scripture into his bosom and projecting it through his own God given understanding for the world to profit by.This book will have you meditating on the Word of God and Christ's matchless and supreme glory, majesty and beauty all day long.

Good

Wonderful book! It is a must read for every Christian.

Reading and meditating through this book was the highlight of my vacation! I hope to read a lot more of John Owen.
