Bronwen Davies is also the author and illustrator of MY BOOK OF CHRISTMAS CRACKERS. She lives in Australia.

My students loved these jokes! They can't read well enough to read all the words, but they could definitely read SOME, and that made them proud. They then proceeded to memorize it, which is an important step to learning to read! Thank you. :D

Good for a beginning reader. It's got maybe 12-15 jokes in it, but every time the kids read them, there are still lots of laughs. Good quality book will withstand use by a young child.

Perfect for a five year old. Colorful and fun to look at. Easy to follow. I have it on my fire kindle.

I am not sure I got the giggle from this book, but I am not the target demographic.

My 4 year old grandson loves to tell jokes and riddles, so he loved this book. In fact, I got him three books of this type. He can't read yet, but he sure got the hang of it quickly. It was fun sitting with him to read and see his reactions, and then tell the jokes to his folks (sometimes slightly modified.) A great break from all the electronic gadgets that were under the tree.

5 year old daughter loves this book and has read it a few times to me.

Very cute and simple jokes. My kids laughed pretty hard at them all!

Cute book! My three year old granddaughter loves riddles and this was simple and perfect.
