Synopsis

Heroes from Earth’s history are deposited in an enchanted land where humans subjugate the nonhuman races. Samurai warriors Shimazu Toyohisa and Oda Nobunaga aid the elves in their struggle, but a greater threat grows in the north, where the Black King and his Ends have set out to decimate the planet. But chaos creates opportunity, and Nobunaga has his own visions of conquest! From Hellsing creator Kohta Hirano, Drifters is an all-out fantasy slugfest of epic proportion!

Book Information

Series: Drifters

Paperback: 216 pages

Publisher: Dark Horse Manga (August 7, 2012)

Language: English

ISBN-10: 1595829334

Customer Reviews

from the man who brought you Hellsing cames to somewhat confusing but the awsome new series of Drfiters!summeary-heros,villans, and any infomus and famous person form the course of history are mysteriasly transported to a new world apon thire deaths, and many have banded around the banner of the Black King, who now seeks the rule of the world.theses great men and woman of history and given the name Drifters, and in a small corner of the current empire that resistes the Black King, three legends of japan, one of whicj is Oda Nobunaga, are starting their own rebellion.....

Drifters pits pretty cool renditions of historical warriors and heroes from different ages in a fantastical world. As much as I love Hellsing, I have to admit that this manga has a more interesting plot and character interactions because unlike Alucard, the protagonists aren’t "simply" badass unkillable death machines, so they go to battle planning and fighting in more resourceful ways. There are

historical references and humor too, I love it.

I definitely recommend reading both of the current released volumes. I couldn't put them down! Imaginative, riveting and titillating, Drifters is a testament to the genius of Kohta Hirano who has captured the attention of audiences all over the world with his previous manga, "Hellsing". I would ever go so far as to say Drifters is even better than Hellsing... So, yeah, it's good.

This story is so interesting and weird in a good way!

Amazing

You cant go wrong with this series
