## Customer Reviews

Joel Chandler Harris (1848-1908) collected the folktales of Southern African Americans and retold them as classic stories of Uncle Remus, a fictitious old slave who spun stories to a boy from “the big house of a plantation.Ã¢â ¬Â• He wrote five books featuring Uncle Remus and his stories of Brer Rabbit and friends. The first, Uncle Remus: His Songs and Sayings, was published in 1880.

I don't recall of reading any other Brer Rabbit stories before, although I definitely recall hearing 'em told. My m-in-l was from rural Louisiana and was born near the turn of the century (abt. 1902). She used to tell some of the Brer Rabbit stories, but they were told in the "old style" from her birth area. I

do like this book, both the writing and the art ... and would be interested in looking at more some time.

We love these stories and the illustrations are fun. My criticism is of the editing of this version. Found a lot of errors.

I was so surprised when I received this book to find that it was NOT THE ORIGINAL STORIES I READ AS A CHILD!! Returned it immediately!

beautiful quality. i love the stories, but the art makes it even better. nice little stories to read out loud. i don’t have any kids but i read them to my mom haha.

When my husband and I were discussing books to get before our son was born, he said we needed to have this book as he remembers his father reading the stories to him as a child. I ordered it as part of our "25 Days of Books" Christmas tradition. It was the first book we opened and my husband loved sharing the stories with our son. The book arrived in perfect quality. I love the style of writing an the pictures as well.

I chose this book for our grandson because my husband was read these stories as a child. These stories are classics that will never go out of date. They delighted our grandson who was 12 years old at the time. Now he`s 13 and still reading the stories .

It was exactly what I wanted, perfect for a grandson to grow up with

Great book.
