Synopsis

Join Mercer MayerÃ¢â ¬â„¢s classic and beloved character, Little CritterÃ Â®, as he braves a big storm with his family.Even though the power goes out, Little Critter is prepared! With flashlights in hand, the Critter family bakes potatoes for dinner in the wood stove and stays safe. Lightning and thunder can be scary, but really itÃ¢â ¬â„¢s all just a big storm!This 8x8 stormy storybook about weather preparedness is delivered through Little CritterÃ¢â ¬â„¢s classic charm for fans old and new.

Love it. Hope it helps my son to not be scared of storms anymore.

Added to my vast collection of Little Critter books

Our daughter has been reading (or being read to by us) Little Critter books since before she was two. She's now four and they have not lost their shine. Little Critter has taught my child SO much that I cannot possibly tell you everything in a review. The latest help was her very first dentist appointment. We've been reading the dentist Little Critter book for a while now and when we took our daughter to the dentist we were able to say, "See! The chair is like a rocket ship just like Little Critter said!" and many other comparisons. She had a better visit because of Little Critter books. I cannot say enough wonderful about these books -- you just can't go wrong with any of them.

I bought this book hoping that it would alleviate some of my son's fears about wind, because every time we have a storm with lots of wind he ends up in our bed saying the "wind woke him up". This book was a cute story--but more related to hurricanes--preparing in advance for a storm and balckouts and what the critter family does to occupy their time when the power goes out. It's a good story and similar to other critter books, but just wasn't what I was hoping it would be.

great book for 3 year olds

Great book! 2 year old loves this book.

My son LOVES little critter. We have so many little critter books. But they teach a lesson and I have been able to talk about little critter when helping my son to learn the same lesson. I tend to get irritated by the way some kids books are written, but I find these books to be a good read.

Thanks . Very satisfied customer .
