Synopsis

You may not have heard of "praying the Bible," but that doesn't mean that concept is new. In fact, for centuries men and women have prayed the promises of the Bible back to God. One of the greatest reasons is that there is tremendous power in praying God's truths back to him. But perhaps most of all, we "pray the Bible" because our hearts are radically changed when we focus on the desires of God and the magnificent truths in his Word. Here are just a few of the many more reasons we should pray the Bible. When we mine the gold of God's Word and enrich our prayers with Scripture...We remind ourselves of what God has said and are able to claim his promises.We avoid the trap of praying "the same old thing." Our prayer vocabulary is stretched and our prayers enlarged as we claim truths that are already settled in heaven. We come to a more complete understanding of who God is and how he works in our lives.We are able to more fully and lovingly express our thankfulness to the Lord.We openly agree with God's truth, allowing it to change us and those we love.We are rescued from our human limitations. Claiming Bible truths keeps us from reducing God to our own small human expectations.We shift the focus of our prayers from human needs and feelings to God's character, his promises, his past faithfulness, his goodness, and even his extravagances with us. We are assured that our prayers lie within, and affirm, God's will.As a parent, you want your prayers to have an impact on the lives of your children. But how can you know that they will? What are some of the most vital things you should pray for? How can you claim God's glorious promises for your kids? In Praying the Bible for Your Children, you'll find the answers to these questions, along with powerful, Scripture-based prayers that will show you how to communicate more assuredly, more fervently, and more effectively with the Lord. Most importantly, your prayer life will be forever changed as you come to pray on a richer, more intimate level to the One who loves your children most of all.

David Kopp was born in Zambia to missionary parents. As founding editor of Christian Parenting Today, he was writer of the award-winning column Ã¢â ¬Å“Inside View.Ã¢â ¬Â• Heather Harpham Kopp is a writer and editor whose books include The DieterÃ¢â ¬â„¢s Prayer Book, I Went to the Animal Fair and I Stole God from Goody Two-Shoes. Together, David and Heather are the authors

of Praying the Bible for Your Children and Praying the Bible for Your Baby. They are parents of five children ages twelve through eighteen. David remembers his father Ã¢â ¬Å“praying the BibleÃ¢â ¬Â• for him, a legacy he and Heather continue with their own family.

Such a great little book for praying through different topics and issues with your children. Love praying the words of scripture and the clear way this book of prayers is written. Happy to find it on and am giving it to a young mom!

I purchased this book when my children were already in their teen years. It became a journal for me. When I "prayed" through this book, I included the date and a short note about my children and their current situation in life.Through the years, I have purchased this book for many people, as a baby gift.This particular purchase is for my son and his wife, expecting their first daughter soon! What a joy to see my prayers being answered in another generation.Thank you, Heather Kopp, for putting words to the prayers of parents everywhere.

I read this book many years ago and have used it as a reference and encouragement. I wanted another to pass on to my young friend as well as my daughter in law. I was so delighted to find this book gently used on .

Parents,grandparents & teachers, of faith; this book gives you a different perspective of children & God’s good plans for them! If you have a daily devotional for yourself, then include praying for the children in your life, too. Very reliable seller and quick response time!

This is a perfect daily prayer to get you started. And each time, it seems so perfectly appropriate. I gave it to my best friend as a Christmas gift and she loves it too.

This is a wonderful book. This book was given to me as a gift and I have enjoyed it so much that I now give it as a gift to friends that are expecting, or parents that would benefit no matter what stage of parenting they are at.

This is a great resource. There is power in the Word of God and this book helps to pray God’s Word back to Him.

Whether you are familiar with the Bible or not, this book puts into your hands and fills your heart with the words to ask God to surround your children...using the Kopf's paraphrase of His own words given to all of us in the Bible. Whether your heart's concern for your children is for their success or their safety or their salvation or their sanctification, there is a prayer written to surround that desire, and lift it up before the Almighty. I have given this book as a gift many times for many different occassions.
