DENNIS SHEALY is an editorial director at Random House ChildrenÃ¢â ¬â„¢s Books and a prolific author of books for children, including the popular Little Golden Books IÃ¢â ¬â„¢m a Truck and IÃ¢â ¬â„¢m a T. Rex!

I bought this book for my six-year-old son for two very good reasons:1. We have the misfortune of living at the top of the street where a one-year road construction project has been going on for over three years; and2. Bob Staake's illustrations.For over half of my little boy's life, we been driving past road construction vehicles, sometimes standard yellow, sometimes shockingly pink -- most of them

just parked along the side of the road -- just to get from our stretch of road to another. He has learned the names of all of them, especially the bulldozer. Dennis Shealy did include some uses of the bulldozer that didn't include construction, so that made the book especially interesting.A few months after the construction began, my son discovered books illustrated or written and illustrated by Bob Staake. Staake quickly became my son's favorite illustrator. After almost three years, my son is a connoisseur of Staake's work and would know it anywhere. And he always says it's "beautiful". And my son is right.

I wanted to get my 3 year old nephew books that my sister and I enjoyed as a child and these were the first that popped into my mind. I am very pleased that the quality of Little Golden Books is still there! Looking forward to sharing this stories with him for years to come.

The important thing is my almost 3 year old granddaughter likes it.

I have to admit this is one of my favorite books to read the grandsons. Cute story and it is short enough we can read it a couple of times which is what the boys like.

great book..the kids love it!

Wonderful stories for kids from years past as well as today.

Used these great books as favors for my sons birthday

Grandson loves his book.
