Synopsis

Baa Baa Black Sheep, have you anyÃ¢â ¬Â¦songs? Children love to sing and be sung to, and these perennial tunes are always tops on the kidsÃ¢â ¬â„¢ hit parade. Little ones will love the repertory that includes Ã¢â ¬Å“IÃ¢â ¬â„¢ve Been Working on the Railroad,Ã¢â ¬Â• Ã¢â ¬Å“Pop Goes the Weasel,Ã¢â ¬Â• and Ã¢â ¬Å“Row, Row, Row your Boat.Ã¢â ¬Â• And someÃ¢â ¬â •like Ã¢â ¬Å“Itsy Bitsy Spider,Ã¢â ¬Â• Ã¢â ¬Å“Pat-a-Cake,Ã¢â ¬Â• and Ã¢â ¬Å“If YouÃ¢â ¬â„¢re Happy and You Know ItÃ¢â ¬Â• are more than just fun: they develop physical dexterity and teach parts of the body. All the songs are great for entertaining restless youngsters on car trips, during play dates, or on a rainy day.

I sing to our daughter from this book each and every night- all well known songs but many with extra verses (ex Mary Had a Little Lamb with 5 verses); the illustrations are beautiful and, as we found out, embossed so she can feel the faces of each character in the book. Something she will treasure her entire childhood & probably use with her children some day!

I was looking for a little book that had the classic lyrics for some of the older children songs in this book covers it all pretty well. There's only one song I don't recognize.

My little one absolutely LOVES this book. I love that it even has some of the songs I sang as a child. She is learning all the words, and loves to grab it off the shelf to read/sing. I highly recommend if you have a child who loves books that include songs to be sung!

This was a great book, the pages were very colorful and my granddaughter loved it

I bought this book because I now have a beautiful Grand Son. I was singing to him one day and realized that I've forgotten most all the lyrics to the nursery songs I grew up with. This book has them all. The illustrations are perfect, the text is easy to read. I can't wait to teach all these classics to my grandson.

Needed this for the new grandchild...getting hard to remember the lyrics after so many years. Now we can sing with the correct words. If you've forgotten the melody to a song, do a quick search on youtube.

I'm glad that I bought this book, but there are some issues with it. I like that it is large, but light. It has big, colorful pictures that are slightly raised, which I'm sure my son will like when he's old enough. The problem is that I will NEVER be able to leave this book alone with my son. Every other page is glued together, to make the pages thicker, but they are only glued in certain spots, making it very easy to rip them apart from each other. In fact, some of the pages weren't even glued together or glued all the way. It is confusing. The LULLABY book is the same way, but I don't regret my purchase.

I wish it had a few different songs but our granddaughter likes it
