Customer Reviews

A recipe book about Shrimp.

Although this book was listed as used, it is in PERFECT condition. I paid a very low price for a superb recipe book. The recipes are fantastic.

Several family members are gluten free--paella is the perfect easy dish that all can enjoy. This book has lots of great, easy, quick recipes.

Bought as a gift and was noticeable that it had been used which was a bummer. Still a cool book though an hopefully they got some use out of it.

The book is filled with wonderful pictures and practical recipes. This is my second purchase of this book as a gift and the recipients are always happy!The ingredients are easy to find and the preparation is truly authentic. Highly recommended Paella and Tapas book!

Pleased with the purchase.

We tried two recipes, one of them two waysÃƒÂ¢Ã â ¬Ã â •on the stove and on a campfireÃƒÂ¢Ã â ¬Ã â •and they were phenomenal! The detail and thorough descriptions are excellent.

Great

I didn’t know there were so many choices of paella. Adding the tapas and sangrias is a surprise plus. You can ’t beat this book.
