Earworms plants more than 200 essential words and phrases into long-term memory, ready for instant recall. Simply listen to the music CD filled with rhythmic repetitions a few times and the sound patterns will get to deeper levels of memory. Listeners will subconsciously acquire a collection of verbs, nouns and connecting words, all the while picking up the correct accent.

My daughter and I signed up for a Community Ed Italian class. The instructor suggested we supplement our learning with Italian tapes. After searching for the best cd's by reading customer reviews, I was intrigued with the Earworms. I figured the price was reasonable and purchased both 1 & 2. What a good buy!! I can honestly say, I've learned more from listening to these cd's than I did in the class. Very impressed. I also own Michel Thomas language tapes, but Earworms are much more enjoyable and makes learning easy. Very, very happy with my purchase!!! Hoping they come out with a level 3!

It is amazing how much you pick up passively listening. The music is a bit wierd.

Copied to my iPod last week and I am enjoying the learning process. Very good way to learn a new language.RegardsCarole Dennis
