Synopsis

After decades of anticipation, Alfred is proud to release the officially licensed, collectible sheet music companion folios to the Super Mario Bros.(tm) video game series. The 34 arrangements in this intermediate-advanced piano edition are note-for-note transcriptions of instantly recognizable melodies beloved by generations of gamers around the globe. From Koji Kondo’s iconic "Super Mario Bros.(tm) Ground Background Music" to the New Super Mario Bros.(tm) Wii(tm) themes, the dozens of pieces in this book represent two and a half decades of Nintendo(R) video game favorites. Adding to the fun, graphics from the corresponding games grace each page of the sheet music. Impress friends, family, and audiences of all ages by playing from this magnificent collection, which makes a great gift for every pianist. Titles: Super Mario Bros.(tm) Ground Background Music * Super Mario Bros.(tm) Underground Background Music * Super Mario Bros.(tm) Underwater Background Music * Super Mario Bros.(tm) Castle Background Music * Super Mario Bros.(tm) Invincible Background Music * Super Mario Bros.(tm): The Lost Levels Ending * Super Mario Bros.(tm) 3 Map 1 * Super Mario Bros.(tm) 3 Ground Background Music * Super Mario Bros.(tm) 3 Boss of the Fortress * Super Mario Bros.(tm) 3 Skyship Background Music * Super Mario World(tm) Title * Super Mario World(tm) Castle Background Music * Dr. Mario(tm) Chill * Dr. Mario(tm) Title Background Music * Super Mario Kart(tm) Mario Circuit * Super Mario World(tm) 2 Yoshi’s Island(tm) Athletic * Super Mario World(tm) 2 Yoshi’s Island(tm) Ground Background Music * Super Mario 64(tm) Main Theme * Super Mario 64(tm) Water Land * Mario Kart(tm) 64 Circuit * Super Mario Sunshine(tm) Dolpic Town * New Super Mario Bros.(tm) Title * New Super Mario Bros.(tm) Giant Background Music * New Super Mario Bros.(tm) Battle Background Music 2 * New Super Mario Bros.(tm) Battle Background Music 1 * Super Mario Galaxy(tm) Ending Staff Credit Roll * Mario Kart(tm) W

Customer Reviews

Description is exactly what you get. You can find videos online of what the songs sound like played out, very accurate to source material.

I just purchased this for myself a few days ago. Now, I haven't gotten the chance to really delve into and practice a few of the songs yet I must say that at a glance it does look very good. I wish there was more songs in this book, but it does have a great variety. Not only does it have classics like the Underwater Background Music from Super Mario Bros. but it also has more recent songs such as the ones found in Super Mario Bros. Wii. Since this is an intermediate/advanced piano solo book many of the songs appear challenging to play. That being said, this book may not be for everyone. Like if you're buying this book for a pianist that has not been playing for very long then it may be a better idea to pick up an easier book. What's kind of neat about this book is the mini-score to Super Mario Galaxy: Ending Staff Credit Roll. With this mini-score they kind of compressed four pages of the song to fit one page. Even though that makes it harder to see the notes it's not that much harder and it makes for less page turning.All in all, very excellent book. No spiral binding but there aren't enough pages (in my opinion) for that to matter.Also one thing I want to add is that one of the songs from Super Mario Sunshine is called Dolpic Town in the book? I don't know if my memory is just faulty but I don't remember any Dolpic Town. I feel like this might've been some sort of odd typo, but I'm still going to reward it 5/5 stars because I'm not sure. Feel free to post a response to this review if you know anything about it. Thanks and I hope that this review was helpful!!

I got this for my daughter who is in middle school. She has been playing piano for several years and loves this book. Some of the music was very easy for her and others were challenging. It is a happy medium for intermediate students. I enjoy hearing the old theme songs from the good old days of playing Super Mario Bros.

This was the best money I've spent in a very long time on music. My son hates practicing piano. He loves anything Super Mario though. This book is awesome! I can't wait to learn all of the songs with

my son. Maybe now he will like practicing the piano. Thank you thank you!

This book is awesome! The arrangements are great, and just playing the first few bars already makes it extra fun.Most arrangements are not very hard, but they are not simple either. This is definitely not a book for beginners, but mid-level players will certainly enjoy the heck out of it.

I love listening to my husband play these iconic mario songs on piano, and it's also nice to practice myself, as I'm very familiar with the tunes

I bought this as a gift for my son and he loves it. The musics is accurate to the game and he really enjoys hearing the music come alive as he learns the songs and relating them to the game.

I got this book for my brother's birthday and he enjoys it! The arrangements sound nice on piano. My only complaint is that there weren't enough Mario songs in the book. But hey, hey, what can I say? 30 something songs should suffice and it's still awesome!
