Customer Reviews

My daughter is currently taking piano lessons and was able to pick a "fun" book for her class. She chose this one. Really cute! It is appropriate for all ages.

Great piano book - I use for my beginning students to keep them interested and have a little fun! Enjoy!

This was terrible, not worth the money . It contains only part of the songs, and they are all Bad.!!

Really love the familiar songs in here, they are easy for me to play and sound great

great book, interesting pieces.
