This is book that insult that you sell one of the trash books in automotive books, Misrepresentation is a another insult

I purchased this book for one of my students who loves sports cars. He thought that this was the best book ever! He enjoyed the beautiful photos most of all, but he also learned some interesting facts from the text. Seems like a good book for Lamborghini fans.

I got this for my godson for his 7yr old birthday and he was over the moon. Its a small book though.. expected it to be bigger but otherwise was happy with it. fast delivery to Malaysia too:)

This was an excellent Christmas present for my grandson who is fascinated with Lamborghinis.

Christmas gift for 11 year old boy who did enjoy it. It’s a bit thinner than expected.

Great book. Son loves it.

Got this as a gift and it was loved. Perfect for children

Good for grandson that loves these cars
