## Customer Reviews

This delightful collection aptly demonstrates that restaurant cookery can also be a highly personal cuisine. Murphy, who opened the Pink Adobe restaurant in Santa Fe, N.M., 45 years ago, blends Creole, Hispanic and standard American fare with a dollop of whimsy. Mexican-style offerings include chile rellenos, black-bean soup, turkey mole poblano and sopapillas. Mexican-American cookery yields avocado halves, stuffed with chicken, in chili sauce, potato salad with green chilis, bread pudding with tequila sauce and a meat loaf sporting mandarin-orange segments, pine nuts and chopped jalapeno pepper. Murphy’s New Orleans origins surface in such dishes as oysters St. Jacques, carnival okra, shrimp remoulade with Creole mustard and Cajun-style stuffed crabs. Personal tastes and a dash of exuberance produce lasagna monte, a chicken-and-cheese dish flavored with green chilis, sour cream and black olives; steak sauced with herbs, jalapenos and chilis; and flaming ice-cream sundae. This is an updated and expanded version of the self-published Cooking with a Silver Spoon, first issued in 1956.pk Copyright 1988 Reed Business Information, Inc.

What a delight to have this classic cookbook published in 1988. Having supped at the Pink Adobe this spring, I am so happy to have the recipes from the original restaurant. The Rosalita cocktail

recipe is excellent and I am looking forward to trying the barbecue sauce for a special family cookout this weekend. Rosalea Murphy was a wizard of fusion Creole, southwest and Hispanic foods!

Great cookbook. I was raised in Santa Fe and remember the Pink Adobe very fondly. My favorite dessert of all time is the Sicilian cake, you have to try it as well as the green chili stew, very authentic recipe. Nope, too many great recipes to list, you have to buy a copy if you can find one.

This is an okay introduction to the food of New Mexico. However, some of the food just isn't that hot, and I don't mean spicy. I felt like the Feast of Santa Fe was a much better book This is good for some basics like tortillas and sopapillas, but some of the dishes are kind of strange, with hard to procure ingredients.

Disappointed in most recipes, including green chili chickenEnchilada. Too much tomatos.

Wonderful cookbook! I had a book just like this and when I went to look for it recently could not find it! I was so happy to find a copy on  for a great price and with an autograph of the author! Thanks!

I bought this cookbook because I borrowed it from the public library and found too many recipes that I wanted a permanent copy of. I was delighted to be able to find a copy on .

Was hoping their blue cornmeal bread recipe woul be in this book but it isn't. Will try some other recipes though

A classic. I had one, and bought another for a friend. Perhaps a little heavier than a lot of people cook today, but several wonderful recipes that we enjoy.Highly recommend for those interested in non- traditional southwestern cooking.
