Synopsis

(Faber Piano Adventures). Enhancements to the 2nd Edition Level 2B Technique & Artistry Book include emphasis on pattern recognition, new teacher duets for several Artistry Magic pieces, and a new exercise to prepare students for playing chord changes. The four effective technique secrets are used as warm-ups throughout the book.

Customer Reviews

Good as expected.

Exceptional series - very well thought out and developmentally appropriate. Combines the right amount of moving ahead with review. All the pieces are appealing and student-friendly.

Good book!

Good song selections, progressively challenging lesson plan. My daughter really enjoys it. It motivates her to play regularly and she has been making solid improvements in her piano skills and music theory knowledge.

Doing well with teaching my granddaughter. Very easy to read and follow.

Good piano book

great

My daughter really enjoys this music.I appreciate the learning that takes place, along with the fun songs.Thanks so much!
