Customer Reviews

It appears almost no care was taken producing this book.Just some examples most native Dutch speakers will cringe at: "Rodeo de cowgirl spelen is zo prettig met papa". "Ik hou van de manier waarop hij superheld verhalen voorleest", "Ted zij [sic!] kaart zegt...".The translator is further confused whether it's "superheld" or "super held". Interestingly, she's also confused about the spelling of her own name. In this book it's "Evelyn Mitta" whereas in the other book we foolishly purchased from the same author/translator team ("Counting Fun / Plezier met tellen") it's spelled as "Evelien Mitta". Of course people are free to change the spelling of their name, but it appears indicative of the lack of quality control that went into producing these books.

Good book

Big picture and words. Great for storytime!

This is a terribly unprofessional product. The book is lacking in so many areas: the illustrations are amateur, the layout is sloppy (there's little regard for how the comic sans font plays against the background) and the punctuation is a nightmare. But worst of all, both the English and Dutch texts are rife with errors and awkward constructions. Do not waste your money like we did.
