Customer Reviews

Impressive! This book is really well written, easy to understand, and it is a very useful practical guide for beginners. I really liked the fact that the author is actually putting information about himself, giving to the book a personal human touch. Lots of suggestions, pros and cons are given about different methods - you can find many information on the Internet but this book helps you to clear your mind and make smart choices.This book was overall really interesting, not too complicated for someone who is new to Forex trading. Really worth recommending!

Forex trading is a great way to make money but it needs proper knowledge and planning. From this book, I learnt few tips on forex market and developing trading plan chapter gave me practical tips. ItÃƒÂ¢Ã â ¬Ã â„¢s a short read.If you are thinking of earning money through Forex, this book may help you learn the concepts of Forex market. I liked the way author explained forex in simple terms.I would recommend this book to beginners.

This one is a great book you want is to learn the basis of Forex Trading: what does it mean, how it works, where it works ... It is really comprehensible and it goes through every single step explaning deeply all the process you need to know in order to succeed in trading. This book is easy to follow and everything is clearly explained. My sincere recommended!

A great book to get yourself introduced to the FOREX market. It’s written in very understandable way that makes people not familiar with any financial markets to understand it easily. If you are being interested in trading on FOREX, this book is definitely a great position to start with.

Everyone knows that you can either win big or lose big when it comes to Forex. And this book is about helping get to the winning side. I am a newbie in the trading world, so it was a more than valuable read for me, and really helpful in terms of understanding the nuts and bolts of forex. Worth reading!

A very good introduction to the world of Forex trading. It covers the basics with a good level of detail. Really made me feel like I can enter the market with a solid knowledge to start trading with. Easy to understand and very educational. Recommended!

This is not easy and most of the people fail. Find out how not to be one of them and what are the

risks. This book is a great how to guide. For the benefit of anyone who dreams of gaining financial freedom by trading forex, study this book and look no further.

The book explains that Forex Trading in the stock market always has been the largest market because it is the underlying real asset that the forwards and future markets are based on.This guide is aimed at the beginners,but has information that can assist more advanced traders of enhancing their skills as well.Indeed helpful guide in preparing your self to trading.
