Synopsis

25th Anniversary Edition Linnea has been in Paris. And she has visited the painter Claude Monet's garden! She even stood on the same little Japanese bridge that Monet painted so often in his pictures. In Paris, Linnea got to see many of the real paintings. Now she can understand what it means to be called an Impressionist, and she knows a lot about Monet's life in the pink house where he lived with his eight children. Twenty-five years after its original publication, this celebration of the wonder of art is available once again in an enlarged keepsake edition. The joy and inspiration Linnea discovers in Monet's garden will be eagerly embraced by a new generation of readers. "Original and charming."Ã¢â ¬â ¢New Yorker

Customer Reviews

"The brilliant blend of history and art with Linnea's dream are just the perfect elements for a book that children ages 4 and up will enjoy and parents will appreciate." - Jean Book Nerd"Linnea is an unforgettable and completely charming character ... This story transports readers in a way that no other picture book that I can think of does." - Delightful Children's Books"This book has been an amazing addition to our picture book collection and I would recommend it to anyone!" - A Mom's Take"Linnea in Monet's Garden is back and even more beautiful than ever. ... I do not remember the colors being this vibrant, the pages being so big, and the experience being so touching." - The

Angel Forever"A delightful book about a budding art-enthusiast that can surely get young readers interested in Monet’s art." - 5 Minutes for Mom"A favorite of many little girls 25 years ago, this enlarged keepsake edition of a classic is as charming now as it was then." - Creators Syndicate""A beguiling blend of text, art and photographs that also teaches young readers about Impressionist artist Claude Monet" - Scripps Howard News Service" - Scripps Howard

Christina Bjork and Lena Anderson have collaborated on children’s books for many years, including Linnea’s Windowsill Garden and Linnea’s Almanac, which won the West German National Children’s Book Award in 1984. Like Linnea, the authors were nature-loving city girls, born and raised in Stockholm, Sweden. The studio they share today is a charming country house with a lovely garden right in the heart of Stockholm.Christina Bjork and Lena Anderson have collaborated on children’s books for many years, including Linnea’s Windowsill Garden and Linnea’s Almanac, which won the West German National Children’s Book Award in 1984. Love this book. I read it when I was a little girl and now I finally found it for my little girl. I hope she loves this book. It’s beautiful!

Love Linnear, a wonderful way to introduce children to famous artists.

This book is for an older child who is interested in art. The book does a great job of weaving the story of Linnea with facts about Monet. It would be hard to read as a story book at bedtime, but great for an art inspired child.

I loved this book since I was a little girl! I bought it for my girlfriend to instill a greater appreciation for Monet and she loved it too! This book will always hold a special place in my heart and is such a joy to share with others.

I bought this book for my daughter when she was 8 years old and I bought it at the Metro. Art Museum in NYC. She is now 35 and I just sent it to another 8 year old. My daughter and I are going to Paris in a few weeks and the one place to go on our trip is Monet’s garden. I’d say this book made quite an impression on my daughter!!

My daughter had this book and doll when she was little. I came across the doll and my dog had eaten the brim of the hat. I am expecting my first grandchild-a girl-and I ordered this for when she learns to read. I love the are work and the doll is adorable. Can’t wait until she is old enough for storytime!

Classic. Needed another copy as a gift for an art history teacher.

Every child should own this book. It is a marvelous way to learn all about Monet, his family, and his works.
