Customer Reviews

All of these little stencil books really are awesome. They are soooo inexpensive and my 6 year old uses them ALL the time. They are really worth it. Happy

good

great price

Love the little stencil books.

This is really cool, 'twill complement my Good Luck symbols book by the lady from Quirk publishing, which is great.

I use these stencils on pottery. They are fabulous! Very easy to use and lend themselves to the

medium of clay.

These stencil books are probably hands down THE best bargain on . I bought 9 of them for painting onesies at a baby shower. So much more cost effective than other stencils I considered. Stencils are done on thick stock paper and there wasn't one design that was at all disappointing. Would buy time and time again.

Shapes for an art project I needed. Just what I needed
