DEBORAH R. LILLY has been a professional hairstylist for fifteen years. She has been both an instructor and a hairstylist for theater, film, and advertising. Her work has appeared in Ebony, Essence, Hype Hair, Black Elegance, and Sophisticate’s Black Hair.

Wavy, Curly, Kinky... is by no means a celebration of wavy, curly, or kinky hair. It has irresponsible advice such as pressing 8-12 year old girls hair because of peer teasing. Many of the pictures are of girls with pressed or permed hair. Most of the natural hair styles shown are of girls with wavy or loosely curled hair. I do not recommend this book.

This is nice for mothers who don’t know about black hair or Bi-racial hair and what to do for it great book for all moms of ethnic kids !!!

Very disappointing. I saw no information in this book. It doesn’t tell you how to do anything. It says there are different types of hair - don’t we already know that? Doesn’t tell you how to take care of hair at all.

This book helped me get started in not just doing my own, finally, natural hair, but better ways to do my 6 year old daughters naturally short hair. Thank you for getting this to me quickly. I was literally at my end!!

This product was not what I expected. For me it was a waste of my money. Did not give me the insight on how to care for my child’s hair.

this was good for people with long hair. So it was not very helpful to me..

This book has several good points, however it was hard to keep focused due to bad printing. There

were several pages with light print. This made it diffcult to follow the book. I know errors can happen, however it wouldn't hurt to have a preview staff on hand.

I expected more pictures not so many stories, they way it was presented it what a book about a hair needs, pictures
