Kids series with Jerry B. Jenkins and Tim LaHaye, as well as the Red Rock Mysteries and The Wormling series with Jerry B. Jenkins. He and his wife, Andrea, live in Colorado and are the parents of nine children.

I liked this series, pretty exciting, just wish the stories were longer, great for the entire family, but there are some scary situations that might be too frightening for small children to listen to alone.

I've read the first 10 already and then passing them along to a granddaughter. I hope she enjoys them, as well!

Hope to see Oasis come out with more of the Red Rock Mysteries on audio CD the other 13 books in this series are also good reading

Perfect shape. Great deal:)

Bought this for my christian library. Haven't heard it myself yet. Being by Jerry Jenkins, I thought it had to be good.
