Customer Reviews

The Law School Admission Council has developed and administered the LSAT on behalf of all American Bar Association-approved law schools since 1948. Their national headquarters are located in Newtown, PA.

There’s nothing better that can gauge how well you will do on the LSAT than actually testing yourself with one of the most recent LSATs under realistic testing conditions. Definitely recommend.

This is a good one because it is so recent - you get a more realistic practice based on what they are going to through at you in the upcoming LSAT’s. It’s also nice compared to using the multi-test booklets you can buy because it’s more compact and just one test here.

Exactly what is expected. A prep test in the LSAT test day format, with a scan tron bubble sheet.

You get what you get. God bless all the souls who take the LSAT.

Good

You cannot do better than the actual exam

Official Preptest is the way to study for the LSAT, if you’re serious about it.

Nice prep test
