Customer Reviews

Anonymous Anonymous is a contributor for Hazelden Publications including Alcoholics Anonymous Big Book 4th Edition.

I am reading this book for the second time with one of the women I sponsor in AA. We read it cover to cover the first time and found it so deep in content, that we had to read it again. We are almost thru and have committed to make it a "three-pete". Anyone who is interested in understanding the disease of alcoholism or who has read the Big Book of AA and wants supplementary support should invest in this book.It’s a must read!

I ordered the wrong book. Willing to sell it!

This was difficult to rate. The stars are for the content. Having read it I truly believe beginners in AA would benefit from reading this alongside The Twelve Steps and Traditions. The Little Red Book, in my opinion, takes each of the steps and explains them in a more up to date language. Sponsors should read it too, However, this version of it has many, many typos and grammatical errors. Some people may find it difficult or just plain annoying!! Kindle books are getting worse in that respect.

Great tool for recovery

Thought it would be smaller, pocket size.

I f you are into the AA cult, this is some extra reading. Not an official publication but it has some good ideas.

Very good read, especially for those in recovery

This is an invaluable aid to those seeking a "solution."The Little Red Book is an intellectual study, analysis and discussion of the "Big Book" teachings, without all of the antidotal illustrations.It is a serious work, by serious men, for those who are serious about recovery.
