Perfect addition to the classroom material

Extra copy for home

The workbook arrived quickly and in great shape. My son is using this for 7th grade Spanish. It has been working very well for him. The teacher said that he can use this workbook for several years (into High School). Thank you !

Exactly as described

Phenomenal book if you're in your second and third year of Spanish class. It has lots of exercises to complete and practice writing Spanish.

Nice book, was recommended for my daughters 8th grade in a private school in California. Lot of exercises.

My daughter does not like school work so any school book would not be a hit. But the book is great.

I bought this and other books and I am very satisfied. I will continue buying more from
