Synopsis

An amazing tour through its history, culture and landscape, Alaska’s stunning imagery and informative text makes it the perfect book for those who dream of visiting the 49th state and those who want to celebrate its singular beauty and expansive history.From the lush rainforests of the Inside Passage, to the desolate beauty of the far north, Alaska’s natural wonders never cease to enthrall and amaze. Join National Geographic on this spectacular visual journey through seven distinct geographic regions of this amazing state, bringing each region alive through brisk historical narrative and lavish color photography, art, and maps. Whether to learn, to visit, or simply to dream--National Geographic’s Alaska provides readers with an incomparable tour.

Customer Reviews

ROBERT DEVINE writes about the environment, natural history, and outdoor travel from his home in Oregon. His latest book is Bush Versus the Environment. National Geographic has published several of his works, including National Geographic Traveler Guide: Alaska, and Guide to America’s Outdoors: Western Canada. He first traveled to Alaska on assignment in 1987 and has since returned as often as possible.

Bought this as a gift for someone who always wanted to get back to Alaska, but feels now his health will not allow that return visit. He loves it. Comments about the changes he sees from back in the day to now in these beautiful pics.

Wonderful pictures and information of picturesque area of Alaska! Must for the people who prepare to trip to Alaska!

Wanted this to plan my trip.

This book has too many pictures on people , buildings , boats etc. It should have all or mostly all pictures of the natural scenes of Alaska , the mountains , lakes , rivers , animals etc. Out of the more than 250 photos , only a small percentage is of the natural scenes of the landscape only. The title is deceiving .

Arrived on time and is a picture perfect book

I love this book. It has great information and beautiful pictures. I highly recommend!

Great book. Very nice pictures.

Very Informative book. Gives you an excellent overview of this great country.
