Synopsis

The knowledge here will take your sexual encounters - be it with your wife, girlfriend, or just a random hookup - to the next level, and make it so that she can't help but beg for more, time after time.What will you learn from a certified sex coach?* How females conceptualize sex differently from men - and how you can take advantage of it.* The best ways to stay harder and last longer for her.* The seven best positions for her pleasure - and yours.* Giving (and receiving) multiple orgasms.* How to get her to come around to anal pleasures.* An introduction to kink, fantasies, and sex toys - the more the merrier!* How to have her screaming your name and begging for more, every time.Intrigued yet? Wouldn't it be nice to become "that guy" that women talk about? To know that you have just given her an experience she will never forget, and never feel insecure about your performance again? All that with the best orgasms you've ever had, and the longest, most intense sessions... and send her into spasms?Read this book to decode the female body and be the beast in bed that you know she wants. Customer Reviews

This book is great for both men and women. I learned about how to keep relationships together and the different ways between men and women. Amber Cole gives great advice and talks about five love languages. It gives great detail on how to treat a woman special. This book gives men great advice if they need help in this area. I would recommend this book to anyone that needs help in this area.

Interesting to read. Very informative and actually helpful! It has a few tips in it that can make life a little simpler for those who are novices and for those that want some new ideas on how to heat things up!

Picked up several good tips and will see how they work out.
