Anyone who is going to drive in Alaska should get this book. It also is great for Canada (which we did not notice immediately). We used our copy all the time on our RV trip across Canada and into Alaska. So very glad we had it.

Very helpful in finding places to stay, except we found out they will rate acampground high and found it to be a dump. This happen more thanonce.

This is a great book if you are planning a trip to Alaska. As soon as we had made the plan to travel we ordered this.

This book was a lifesaver on our trip from the Gulf of Mexico to Anchorage!!! Work its weight in gold!

BEST guide book ever! I sat with the book in my lap while my husband drove. We would have missed many interesting facts and sights without this great book!

Just returned from a 3 week tour of Alaska. This book is a must !!!!
