I purchased this to acompany a fondue I gave as a gift. It was well received. Of course I glanced throught the book before giving it and may buy one for myself since it is still part of the 4 for 3 sale. For the price and quality, it can’t be beat!

this is a cookbook my mom used when i was a kid and it has tons of great recipes for fondue in it. it

is a gift and i am sure they will be pleased!

Lots of recipes, but no pictures. Was a weird size - about 5 inches tall and 8 inches long, and then. Paperback. Disappointing, given that I was hoping for lots of pictures. Gave the book as a gift and was disappointed that there wasn't more to it.
