Customer Reviews

Yes there are photos, but they are not the finished product of these recipes. They may be close, but

not these recipes. There are some really good recipes, that I cannot wait to try. These recipes are simple enough for almost any type of cook. Would require a trip to the grocery store for some ingredients, but nothing too expensive.

If you are looking for some really delicious fondue recipes then you might want to check out this cookbook. The cheese and beer one is fantastic. Thank you and enjoy your day.

Returned item. Left much to be desired. Not worth the cost.
