I purchased this book along with Storey's Barn Guide to Horse Handling and Grooming. While Storey's Barn Guide to Horse Handling and Grooming is more of a beginner horse owner book, THIS book is something that EVERY hose owner should have!! There is so much helpful information in this book! From hoof care to how to give vaccinations to wound treatment, this little guide covers it all! AND it does it in a way that everyone can understand (you don't have to have any vet experience). I have used this guide extensively and I have only had it for about a month! You cannot go wrong by purchasing this book, I'll guarantee it!

Perfect go to reference for the barn. It even has a hole in it so it can be hung from a hook so it's always handy. Great pictures and descriptions for many horse ailments for the horse owner who isn't a vet or vet tech. Lots of help treating health problems in your horse.

Full of basic care and then some. I find this book to be essential for anyone with a horse.

happy with my purchase

Perfect book for the beginner horse owner or the for quick reference guide for the experiences horseman.

GREAT TO HAVE ON HAND FOR ANY HORSE OWNER!!! WE CAN ALWAYS USE BRUSH UP ON THINGS NO MATTER HOW EXPERIENCED WE ARE. EVERYONE SHOULD GET AND KEEP IN BARN!

I bought this to have as a reference at the trail-riding stable where I volunteer. It will be wonderful to have it on hand as a reference.

Practical and useful to horse owners. A good read and a good resource for horse owners and want to be owners for preparation.
