Synopsis

MSRP US$8.99/Ã Â£6.49/EUR7.99 If you enjoy this book, check out Vol.2 which is available on . Simply search by the ISBN - 1944119248 Ready to relax and get creative? Explore the 50 all-original geometric designs in various styles to help you relax and find your creative side. Who said you had to color objects like landscapes, flowers and animal to enjoy coloring? Striking and beautiful results can be achieved with the creative and imaginative use of color on these geometric patterns. You will be truly surprised at how you will be able to bring them to life. Suitable for adults and older children, these designs can be brought to life with colored pencils, crayons, or markers. Known for its relaxation properties, coloring has been known to help reduce stress, anxiety, and also help stimulate the brain areas related to motor skills and creativity. Unlike many coloring books, the designs in this book are single sided. That means you can color all the images without worrying about the color bleeding and destroying the image on the other side. The geometric designs make the book perfect for left and right handed people. Left handed people simply have to rotate the book 180 degrees and they are good to go.

Customer Reviews

Bought this for my husband, who is a middle school math teacher. His students really liked the geometry shapes.

Great coloring book. Nice designs. Some are easier and some are more intricate. Probably my

favorite coloring book I've purchased. The paper is thick and all pages are printed on one side.

Love this book. You really use your imagination by putting colors together.

I wish the designs were more open and less cluttered

Coloring geometric designs is my favorite and this is a high quality book. I was also shipped quickly.

Great designs. I plan to use these for all kinds of artwork. Thanks.

Great variety of designs. Paper quality wonderful, highly recommended.

Lovely entry level, relaxing.
