Customer Reviews

Mary Engelbreit's aphorisms and artwork appear on millions of greeting cards and gift products. Her popularity continues to grow through the success of her books, calendars, home decor, stationery, and crafting lines. Her company is based in St. Louis, Missouri.

The planner was just as cute as its picture. However, it was bigger than I wanted. It is about 5x7. I wanted something smaller. All of the calendars are located at the front; not with the weekly pages for each month.

This is not an 18 month calendar or an academic year calendar. July -December 2017 only has a monthly grid, weekly pages are only 2018. For planning purposes, it would make more sense to have the extra months at the end of the calendar, having them at the beginning doesn't help

anything. This has a pretty cover, but other than that, there is nothing special about it.
