Synopsis

Equip yourself for life.There is a deep connection between obedience to God and experiencing life as He intended. But godly living only happens when weÃ¢â ¬â„¢re equipped with His word. The book of Deuteronomy holds insights into this truth, and a parallel for believers today. As the Israelites prepared to live in a culture with radically different values, Moses shared both the pitfalls of disobedience, and the power found in following God. This study examines MosesÃ¢â ¬â„¢ remarkable thoughts on personal obedience, and explores how we can equip ourselves to experience GodÃ¢â ¬â„¢s best in our lives.Part of Dr. Warren W. WiersbeÃ¢â ¬â„¢s best-selling Ã¢â ¬Å“BEÃ¢â ¬Â• commentary series, BE Equipped has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares that godly living requires thoughtful preparation. Filled with practical insights and fresh perspectives, this study will encourage and equip you to live a life pleasing to Him.

I have two commentary sets, one is Wiersbe and one is McGee (i am a lay person) I have used them for the last ten years and have found that they have given me a passion for the Word which fuels every other part of my life/ministry. I love that they both commu icate in a way that is not too overly academic with sound doctrine. I use McGee's commentaries to pass out to people who have not established their quiet time (I find used/inexpensive hardback versions). I use Wiersbe's to supplement when I am studying one on one with an individual who already is using McGee's commentary. I have a degree in elementary education and you wouldn't believe how well this works with people (both those who have been Christians for a long time but not established a consistent quiet time and those who are not yet believers) These commentaries are amazing to help people retain information and keep them engaged in study. I do wish that Wiersbe's would follow verse by verse and put the scripture in the commentary (as many people including me, tend to be lazy and not follow well) as McGee's does as it is easier to follow, do study and reference but for whatever reason he summarizes by topic. Would highly recommend!

Excellent resource for doing bible study... I have now bought 5 other books from the author.... He has allowed me to glean more from the Word of God, than if i had read the Bible alone. Easy to read... and it really does the make the Word come alive. I didnt realise that Deuteronomy is the most quoted book of the Old Testament in the New Testament.. This Book of the Bible allows you to really see the mind and heart of God. Thank you Wiersbe....

Again my favorite author of theological issues!

Wiersbe is such a powerful writer! Another great book in the "Be" series.

THIS WAS A GREAT BOOK ABOUT HOW AMAZING GOD IS. I ENJOYED IT BECAUSE OF THE WAY IT MADE ME UNDERSTAND THE RELATIONSHIP BETWEEN THE FATHER AND HIS PEOPLE. I WOULD RECOMMEND THIS BOOK TO ANYONE WHO WANTS TO KNOW GOD FOR WHO HE IS. IT IS NO SECRET HOW HE FEELS ABOUT HIS CHOSEN PEOPLE. I GIVE THE BOOK FIVE STARS. LYNETTEMAYBERRY@GMAIL.COM

I have several of Wiersbe’s "BE series" commentaries. Wiersbe simplifies the Biblical material into rhyming themes and easy-to-remember sub-topics. He thoroughly explains, clarifies, and applies the texts so that the book comes alive for the readers of today. I recommend Wiersbe’s commentaries for both students and teachers of the Bible.

Very powerful book. The "BE..." series book are all great books to read. Warren Wiersbe has a way of written that is very convicting and helpful. Thank you for this book. Have recommend this book to many of my friends.
