Gr 4-7-Ben McBain, 11, knows that he has what it takes to be a great quarterback, although he can’t convince his coaches to see beyond his small stature. So he’s not surprised when Coach O’Brien tells the team that his own son, Shawn, will get the position. Outwardly, Shawn has it all-the size, the arm, the speed. But he doesn’t have a deep love for the game, and, when plays don’t go

perfectly, he spirals out of control. Determined to make the season the best it can be regardless of the position he plays, Ben tries to befriend the temperamental boy. Shawn slowly opens up about the pressure he feels from being coached by his father, a retired NFL player, and how he can't relax and enjoy the moment. When the team loses the first two games of the season and Coach O'Brien puts Ben in as quarterback halfway through the third game, the Rams go on to win. This is the start of a turnaround for the team, and further wins put the championship back in their sights. But as their team does better, Shawn retreats into sullenness and wants nothing to do with Ben. While the ending of this engaging story is predictable, Lupica has a great ear for dialogue, and even the minor characters are fully developed. The tone is inspiring without crossing into didacticism, and there is plenty of football action throughout.-Kim Dare, Fairfax County Public Schools, VAÃ Â (c) Copyright 2011. Had to get this for my class. Great shape and exactly what I needed.

Very good book. Mike Lupica is a fantastic author . I suggest reading this one

This kid is now hooked on basketball and he's not even tall for his age. He inhales these books. last big interest was golf. He was hitting balls over his parents six foot back fence when he was two.Coaches say he has the gift and could be a star, though today it's about basketball..

I bought this for my son and he says it is a good book.

My son loved this book.

I really liked this book. It was interesting and suspenseful. I look forward to reading more of Mike Lupica's books

He's 10. He loves sports. He loves Mike Lupica. He wanted this book. He was excited to get it for Christmas. I count that as a success since he doesn't like to read for pleasure much.

I love football and I love this book I read it in less than a week and I don’t really don’t like reading. It is a book you won’t want to put it down.
